Section 4 Numerical results and analysis and/or system demonstration (2 – 3 pages)

Section 5 Conclusions (1/4 page)

References

Important notices:

- The final report must be written in either the IEEE format or the template provided in the Dec. 10 announcement. The IEEE templates can be found at: <https://www.ieee.org/conferences/publishing/templates.html> (<https://www.ieee.org/conferences/publishing/templates.html>). Reports not following either template will not be accepted.
- Font sizes: Report Title 14; Student names and advisor name: 12; Section titles: 12; All the rest: 10.
- The number of references is at least 4 (individual project) or 8 (team project). The reference papers should be published in the last five (5) years at IEEE/ACM journals or conferences. Please do not copy and paste any single sentence from any references.
- **For team-based project, all team members need to submit the (same) report.**
